An inside look at those who like to watch, and those who are only too happy to show it off

Peepers & Voyeurs

Mike and his date walk out of the suburban movie theater, arm in arm. The night air is chilly, but it can't cool the burning desires of these young lovers. They know that after a short drive they'll be banging like two animals in heat.

He squeezes Debbie's hand. "You like the movie, or what?" It had been his idea to go. Not exactly a porn flick, the film was nevertheless quite explicit. She smiles and he has his answer.

Like other viewers in the theater, they were intrigued by the beach scene and the larger-than-life couple emerging from the ocean, their bodies wet and sensuous. Mike enjoyed watching the blonde actress running from the foamy white surf, her mammoth breasts practically jumping out of her yellow bikini. Like the other guys in the audience, his mind and dick concentrated on the tanned actress slowly sliding out of her bathing suit. You could almost feel the cool white cheeks of her ass as she turned for the camera.

The naked dude also intrigued him. "You know," he said, "that guy's dick was the size of a flagpole up there on the screen!"

And Debbie's reaction? "I looked over at her and her

eyes almost popped out of her head! Her mouth must have been dry because she ran her tongue all over her lips." He laughs and adds. "I never heard so many people clearing their throats at the same time."

There's no mistaking it: Mike and his date were turned on by the erotic presentation they'd seen, an appetizer to their own sexfest.

Once back at his apartment, Debbie whispers, "Let's go to the bedroom." He follows the dreamlike nymph who slowly unbuttons her blouse, mimicking the movie. When she's totally nude, she nestles her burning flesh against his. Although excited, she appears a bit tense. "The blinds are open."

"Nothing's out there." It doesn't upset Mike. What's there to fear about the darkness and the woods? And the fire escape?

"Please, Mike."

"Okay, if it makes you feel better." He reaches for the window shade and his fingers freeze. Suddenly immobile, he finds himself staring into the two bright fiery eyes, the pointed nose and the pallid face he's seen in the building before. He watches the figure duck and then dash down the fire escape.

“Mike, what’s wrong?”

Visibly shaken, he attempts a smile. “You know Denny, that dude from the fifth floor? Guess where I just saw him?”

Clutching a blanket from the bed, Debbie wraps it around her trembling nakedness. She won’t leave Mike’s

“It scared the hell out of Nancy. She’s still upset about it. We were in the front seat and she began blowing me. She was really good at it, too. But all of a sudden, I felt the pain as she almost bit off my dick. She looked up and screamed. I turned to the window and saw the bastard myself. He ran into the bushes and was gone by the time

side as he moves to the kitchen to make a drink, making it a double.

We were intrigued by Mike’s account. What struck us—and we mentioned it to him—was that, including his unpleasant experience, his night illustrates two extremes of sexual behavior. The guy and Mike were different in that one preyed while the other played. But they were alike in that, at some point in the night, both were watchers, voyeurs, peeping toms.

Aside from touch, watching may be the most important turn-on for sex. It’s healthy for most, harmful for some and downright perverse for others. The average person such as Mike can use it as a turn-on and prelude to the real thing. But the peeping tom uses it as an end in itself. We couldn’t find a voyeur who, first of all, would admit this predilection and, secondly, talk about it. Instead, to gain a composite portrait of the voyeur, we examined the sexual and psychological research data available.

The average person who becomes a victim is more often than not willing to discuss the experience. “I’d like to get a hold of the bastard,” Sammy told us. He and his girlfriend, Nancy, were enjoying each other at a look-out one Friday night when they came face to face with a peeper.

I got out of the car. I figured the best thing I could do was to try and calm Nancy.”

It’s a good point. Catching criminals, sexual or otherwise, should be left to the police. If you ever find yourself in a similar situation, you’d be better off trying to calm yourself and your partner. Vigilante groups that form that hope to trap these types realize how difficult it can be to catch a voyeur, who in some cases, also turns out to be an actual criminal. And strange as it may sound, voyeurs have lived off society for centuries. Even the legendary name “Peeping Tom” has its basis in the past.

The story goes that, for political reasons, Lady Godiva decided to ride through the center of town sitting naked atop her horse. Everyone enjoyed her coming-out party, but one fellow seem to have liked it the best. According to legend, old Tom could do little to keep his eyes in his head and his dick in his pants. Once the nude goddess passed, he was hooked on looking.

In *A Dictionary of Slang and Unconventional English* (Macmillan), a passage describes how the term Peeping Tom came to mean “an inquisitive person.” That’s putting it mildly. It’s a slang expression for voyeur, coming from the trench verb *voir* meaning “to see.” And watching has become the name of the peeping game.

Most people are fascinated by the voyeur. Why is he (or she) like that? What makes them want to do it? In *Human Sexuality* (Van Nostrand), James Leslie McCary writes that with voyeurism, “the viewer of sexual acts derives unusual sexual pleasure and gratification.” Keep in mind the critical qualifying term “unusual.” After all,

was obviously turned on by just relating her experiences.

“At parties, I’ll always wear a tight, low-cut blouse. I love for my tits to show a little, enough to get the guys’ attention. And they usually do! A few weeks ago, at a party, a college teacher tried getting touchy-feely with me. I shied away at first and teased him; told him to watch his

that’s what separates the peeping tom from the average horny person who can be aroused in a normal way by an explicit book, image or movie.

The real voyeur thrives on secrecy. Why? According to McCary, this type of behavior is believed to develop as a defense mechanism against what the individual feels is a threat to his self-evaluation. By engaging in surreptitious examination of sexual details, he guards against any personal failure in coitus, while at the same time maintaining a feeling of superiority over those whom he secretly observes.”

They say opposites attract. We met the greatest thrill-producer a voyeur would ever want to come up against: an exhibitionist. Just as a peeper demands secrecy, the exhibitionist thrives on tantalizing publicity.

A mutual friend introduced us to Bonnie, a gorgeous, busty brunette. Once we explained our curiosity about various forms of erotic behavior, she was more than willing to explain her sexual trip.

“Maybe it’s a fetish, but I love to show off.” She has all the necessary attributes, including silky shoulder-length hair, deep brown eyes and a smooth creamy complexion. As she moved in her seat, her lovely breasts seemed ready to burst through her tight-fitting top, the erect nipples practically piercing through the thin material. She

step. Looking and touching are two different things, I said to him. That just got him more aroused.

“I’m a cock-tease, and he played right into my hands. At one point he came right out and asked me to be his girl. I came back with, ‘How do I know you really want me? After all, you’re married. How do I know you’re really interested? What would you be willing to do, look in my window?’

“That’s all I had to say. When I left alone that night, I saw his car following me. When I got home I gave him plenty of time to get around by my bedroom window. I came out of the tub and turned on the soft bedroom light. I then opened the curtains that looked out at the backyard. I even opened the window and felt a nice warm breeze tingle my entire body. When I heard a rustling out there, I knew it was him. And I gave him quite a show. I assumed it was my college-teacher friend or some other hot looker. But I really didn’t care at that point. I was getting so aroused myself.

“I moved slowly to the large dresser mirror with my back to the window. I then untied my robe and let it slowly drop to the floor. He had the double treat of seeing my ass in the flesh and my pussy in the mirror. I stood for about 30 seconds and then slowly ran my hands down my sides and over my firm ass. I dug my fingers deeply in

the cheeks, threw back my head and moaned.

"Then, facing the window, I took body oil and began massaging my tits. I swear I could hear his breathing at the window. My breasts were aching to be touched. I moved to the bed and faced the open window. My fingers moved hungrily between my legs. I was so wet and creamy there, I hoped he noticed. Sticking a finger in and out, I began playing with my clit. I then took some

the heavy side. She always seemed embarrassed about it. I used to kid her and say there was that much more to love."

How did he alter her attitude? "I did a search for images of BBW (Big Beautiful Women). She was surprised and admitted they were attractive despite being heavy. And she even admitted she was turned on by the pictures themselves. It's opened the door for us and we always

of the honey and slowly circled my hard nipples. Oh it was fantastic! I was really turned on and reached for a large dildo. Once I began thrusting, the bed shook and my body shuddered to a crashing orgasm. I was in full view the whole time!

"When I was finished, I walked to the window and said goodnight. I shut the window and waited. In no time, the phone rang and I knew it was him."

We thanked Bonnie but also gave her some advice. We suggested she watch herself while others were watching. After all, her behavior borders on the extreme and could be dangerous. If an exhibitionist like Bonnie came up against an extreme type of voyeur, one with violent tendencies, it might be her last performance.

Some people have used voyeurism not only as a prelude to sex but also as a self-helping therapeutic aid. "My wife Diane is a little on the shy side," Steve told us. "Maybe it was because of her upbringing and religious background, I'm not sure. But she always insisted on having sex in the dark. It was like that from our wedding night on. It was a really tough for me. I used to really get off looking at nude pictures.

"You see, Diane used to be—and still is—a little on

check out those images now."

"Who says girls don't get off by looking at sexy photos?" Angela, a customer care specialist, exclaims. "That's an old wives' tale. Everybody likes to watch once in a while. My husband's always looked at porn and so have I. Especially lately, since we found a site that shows so many pictures of guys with big dicks. My husband knows he's the only one I want to suck and fuck, even though we'll compare each other with the people on screen."

More and more couples are using mirrors, erotic outfits and props to heighten the visual stimulation of their sexual relations. And with cameras being the way they are, there's always that instant replay.

"Janet's pussy is quite a sight!" Larry explains. "When I'm eating her out, she'll grind her pussy hard against my face. When she said she'd love to see what her wet cunt must look like at close range, I just took a few snatch shots!"

Most people have a little bit of the old Tom in them, it's true. And more and more are finding voyeurism to be a means to an end, a help and prelude to heated sex play. And that's really not a bad way to look at it, is it?

A woman with long, dark, straight hair is posing in a modern kitchen. She is wearing a light purple, form-fitting, sleeveless crop top and a matching high-waisted skirt. She is leaning against a white wall on the right side of the frame, with her right arm raised and resting on the wall above her head. She is looking over her shoulder towards the camera with a slight smile. The kitchen in the background features light-colored wooden cabinets, a stainless steel range hood, and a built-in oven. The floor is made of light-colored wood planks.

Eliza is a striking brunette. She's just like the exotic girl next door, but she's also a lot hornier who wants to get taken completely by her lover. Love unfolds on the sofa as the amorous pair softly begin their romance only to heat it up as quickly as it began. Soon their passion erupts and her perfect breasts heave and her tight pussy clenches. He is doing everything a man can do in order to make this orgasmic angel cum.

I have to admit that great sex is a way of life for me. My sex drive is huge and I love to get really into it, especially when it goes in my ass. I am always smiling when my butt's getting plowed. I'm so damn good at it that it amazes me sometimes. I never, ever thought that way before. And, ohhh, the taste of cum, yuummy. I'd love to taste yours, too – soon.

how it all got started

To tell the truth, no one has ever asked to interview me or hear my story.

my stage name is Alex, I'm 26 years old, live in Ventura County – and I've been in porn for two years now. To tell the truth, no one has ever asked to interview me or hear my story. It's always the girls that get the attention. And deservedly so. They bust ass, no pun intended, fucking in all sorts of situations and the turnover is tremendous. For a girl to last two years is highly improbable. For a guy, it's a little easier, unless you fuck it up. Men's faces are rarely seen, sometimes not at all, so that helps with the longevity. Anyway, I'm glad I have a forum here to tell you how I got started.

So, we're on a houseboat in the middle of Lake Piru on a warm summer night with my friend Chris, his wife, LeeAnna and her best friend Sonja. They've all come to visit us from Pasadena. While Chris has been here before, the ladies are here for the first time. After working a week in Ventura, we decided to take a day off and float on the lake and take in the peace and the sun.

I've known Chris for a year or so, having done some gaffer work together for various production companies. LeeAnna is a make-up artist and Sonja does set design work. They had

started drinking back at the hotel and when I picked them up, they were already 'happy.' That made me the designated driver and boat captain. We finally

mumble something to him and he takes off his shirt and shorts. He sees me at the wheel and gives me two thumbs up. Sonja gets things started stroking

make it to the boat and pushed off from the dock. I doubt that we are a hundred feet from shore when LeeAnna and Sonja undress one another completely naked and kick back on the deck chairs. Within a few minutes, Chris comes up on deck from below.

Chris sees the naked ladies and walks over to them. They

Chris's cock as LeeAnna occupies his mouth. Sonja gets on her knees and wraps her lips around his long shaft to deliver a sloppy blowjob. LeeAnna soon joins her girlfriend and takes her turn sucking on Chris's cock.

Then Chris slides down onto the deck. LeeAnna can't keep her mouth off of his cock. Sonja kneels, massaging her upturned

tits as he caresses her wet slit. After exchanging a long kiss, the girls change places so that Sonja can lean back into Chris's arms as his hands roam over her smooth, glistening skin. LeeAnna slides her fingers deep into Sonja's wet pussy, flicking her wrist back and forth as her lover moans.

LeeAnna and Sonja soon change positions again so that LeeAnna can resume her blow-job. Her ass is now high in the air, opening her dripping pussy to eager sweeps of Sonja's tongue. Things get hotter than ever as Sonja shifts from using just her tongue and lips to enticing LeeAnna with gentle nips. Chris can't wait any longer to sink his cock deep into one of the beautiful pussies sweating there on the deck. He takes Sonja from behind, thrusting into her juicy hole with rhythmic strokes as she continues working her magic on LeeAnna's sensitive clit.

I'm watching all this from above, surprised to see this type of action, but egging them on. Now it's LeeAnna's turn to have her pussy fucked. Chris moves forward to push deep into her tight hole. Meanwhile, Sonja crawls above LeeAnna, spreading her thighs so that LeeAnna can drive her tongue into her shaved slit. LeeAnna bends at the waist and their pussies are in the perfect position for Chris to fuck Sonja while simultaneously eating LeeAnna out. When Chris pulls out of Sonja, LeeAnna doesn't let him get far before she grabs his engorged member and continues sucking it.

Not to let a hard cock go, Sonja rolls onto her hands and knees so Chris can pump into her with hard, fast thrusts. Her orgasm rolls through her as she

gasps and moans, shuddering with the force of her release. LeeAnna mounts her man in reverse cowgirl style next. She climaxes swiftly, moaning with obvious ecstasy. As LeeAnna comes down from her orgasmic bliss, Chris motions me to join in. I've got a pretty big cock and it's been hard and ready for a while now. I just didn't want to

and LeeAnna eagerly takes my load into her mouth. She waits for me to stop spurting and then drips the milky liquid love into Sonja's waiting mouth. The girls slosh it around their mouths and have a little bit of fun with it.

After we finish, the two girls go below deck to clean up. Chris is laying back, spent, in a deck chair. A few minutes later they

break up their party.

Almost immediately, Sonja eagerly wraps her lips around my dick and bobs her head as she works it. Wishing to please me too, Sonja and LeeAnna kneel before me and compliment me on the size of my cock. For a moment the blood rushed from cock to my face and back again. Then LeeAnna begins by using her hands and lips to stroke and suck me. Sonja gets behind me and grabs my balls from behind giving them a hard squeeze. Uncontrollably, my hips start to thrust rhythmically into LeeAnna's mouth. I think she sensed I was about to cum

emerge from below. I'm back on top steering us around to another spot when Sonja comes up and takes the wheel as LeeAnna begins to rub on me. In unison, they say they want to be fucked by my big cock and pull down my pants. I hope we don't run aground!

Back on shore, we all have dinner and the girls talk me into seeing another friend of theirs. She's a porn producer and they think she will go for me – that is if I want to become a porn stud. Two weeks later I meet all three and they convince me to do it. You may not know my face, but you'll probably recognize my cock.

RACHEL STARR & RACHEL ROXXX

We're always mistaken for sisters. We're really not and we tell guys that we're just good friends. Last night we met a couple guys at a Vegas club and ultimately went back to their place. We were looking for a good time and the guys were more than willing to show us one. Fortunately for them, we were just as willing to give them one, too.
